## Campaign for Action

### **Preliminary Summary - Wisconsin Action Coalition Regional Planning Meetings**

#### **Events:**

- Four events were held; one in each of four regions in the state between November 1 and November 15, 2011
- Mediasite Live technology was used in three events allowing people to join on-line in real time or as an archive.
- One event used video conferencing allowing two sites to participate in real-time.

#### **Statewide Partners:**

- At least thirty-six individuals helped plan these events.
- At least 19 organizations contributed resources, meeting space, food, technology or other services for the events.

#### **Preliminary on-line Registration counts from WNA:**

- Southeast Region-62
- Northeast Region-39
- Northwest Region- 46
- Southwest and South Central Region- 174

#### **Next steps:**

- Update participation data using onsite registration information and Mediasite live data.
- Describe audience using polling information.
- Identify people who gave their name as contacts for regional groups.
- Assist participants in identifying non-nursing contacts in their regions
- Summarize the proceedings of the meetings.
- Schedule debriefing meeting; develop reporting methods for regions and discuss plans for future regional meetings
- Plan for May 2012 statewide conference.

**Watch for specific regional meeting highlights & summaries to be posted in each of the respective regional sections of the WCN website**
